Dear Esteemed Members,

Greetings from the Pimpri Chinchwad Branch of WIRC of ICAI.

"True leadership is reflected not in authority, but in the ability to inspire continuous learning and collective progress."

The month of December 2025 stands as a testament to the Branch's unwavering commitment towards professional excellence, continuous capacity building, and service to society. Guided by our annual theme "Anant Udaan - Limitless Flight", the Branch successfully conducted a wide spectrum of knowledge-enriching and outreach-oriented programs, reaffirming its role as a vibrant centre of learning and leadership.

A significant highlight of the month was the **National Conference on 'AI Drishti'**, organised in association with the AI in ICAI Committee, which provided members with valuable perspectives on the evolving role of Artificial Intelligence in the profession. In addition, the Branch organised multiple seminars and workshops covering critical areas such as GST, RERA, Audit Quality, Standards on Auditing, Code of Ethics, Peer Review, Advanced Excel, Aggregation of CA Firms, UAE Taxation, and AI in Tax Practice. These programs were well received and witnessed encouraging participation from members and students alike.

Equally noteworthy were the Investor Awareness Programs, Public Outreach Programme on the New Income Tax Act, 2025, and the MSME Clinic, reflecting the Branch's continued dedication towards public awareness, financial literacy, and nation-building initiatives.

Looking ahead, the Branch will be organizing a Certificate Course on AI Level 1 Batch & Level 2 batch in the January month 2026, aimed at providing practical insights into the startup ecosystem and emerging professional opportunities. Members are encouraged to participate actively and take advantage of these learning platforms.

I place on record my sincere appreciation for the Managing Committee members, faculty, volunteers, and the Branch staff for their dedicated efforts in ensuring the successful execution of all programs. I also thank our members for their continued trust, participation, and support.

As we progress further on our professional journey, let us remain steadfast in our values, proactive in upgrading our competencies, and united in contributing towards the growth of the profession and society at large.

"Clarity of purpose, consistency of values, and commitment to excellence define the true leadership code." – Leading Code

Warm regards,

CA. Vaibhav Modi

Chairman
