**“Great things are not done by impulse, but by a series of small things brought together.” – Vincent Van Gogh**

Each milestone we achieve adds to the larger canvas of our professional journey. It is through consistent effort, collaboration, and learning that we continue to grow and inspire one another.

This reminds us that every milestone is only a step forward, and true strength lies in our persistence and courage to keep moving ahead.

The month of **November 2025** was filled with knowledge, collaboration, and celebrations that enriched our professional journey:

**“The strength of the team is each individual member. The strength of each member is the team.” – Phil Jackson**
